This is a decision on the reconsideration petition under 37 CFR 1.47(a), filed August 13, 2002 (certificate of mailing date August 7, 2002).

Petitioners have shown that the non-signing inventor cannot be located. Specifically, the declaration/statement of facts of James Kenworthy establishes that numerous fruitless attempts to reach Mr. Morisson were made via Internet and various telephone directories. This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Technology Center 2600 for examination in due course.
